

UCH-L1 = Ubiquitin carboxyl-terminal hydrolase L1; NFL = Neurofilament light; GFAP = Glial fibrillary acid protein.

**Supplementary Figure 2.** Box plot of Tau, UCH-L1, GFAP, and NFL of urinary extracellular vesicles.

(A) Tau, (B) UCH-L1, (C) GFAP, and (D) NFL assays were measured twice per sample and outliers were removed.
