

**Supplementary Table 1.** Elements and Timetable of Simulation-Based Education

Session	Elements	Time
1	Pre-lecture for background information Orientation to simulation module	2 h
2	Quiz to check for pre-lecture learning Skill practice - Personal protective equipment (level D) donning and doffing Discussion and problem solving	10 min 1 h 1 h
3	Pre-briefing Simulation-based experience and observation Debriefing	30 min 1 h 30 min 1 h
4	Learning activities Assignments: reflection paper, self-study	30 min 30 min
